

# How Can I Help My Child Succeed in School?

1. Read to or with your child every night.
2. Help your child with his/her homework every night.
3. Make sure your child is getting plenty of sleep and is ready for school each day.
4. Teach your child to be responsible for their actions and their school work.
5. Stay involved and feel free to contact your child's teacher with any questions or concerns.
6. Ask your child about school every day and encourage them to discuss the day.
